

# Announcing the 2021 ACS Fellows

49 new fellows honored for their contributions to science

August 2, 2021 | A version of this story appeared in **Volume 99, Issue 29**

**T**he American Chemical Society has named 49 members as ACS Fellows.

The fellows program began in 2009 as a way to recognize and honor ACS members for outstanding achievements in and contributions to science, the profession, and ACS.

Nominations for the 2022 class of ACS Fellows will open in the first quarter of 2022. Additional information about the program, including a list of fellows named in earlier years, is available at [www.acs.org/fellows](http://www.acs.org/fellows).
